

September is upon us and it's time to get back to work and meetings! Our conference room, isolated from our dining room by removable panels, is perfect for groups of up to 40. Enjoy a first-rate, personalized corporate day featuring meals, meetings and shooting sessions! For more information, feel free to contact us or stop by the club.

Come out and enjoy the start of the beautiful fall season! Our terrace is now equipped with transparent canvases so that you can take in the beauty of nature while staying warm and sheltered from the elements. Relish a meal, drink or coffee at La Bartavelle until late in the fall and join us in extending the warmth of summer.

*Our kennel is almost finished! Stay tuned to our upcoming newsletters for details!*
